### Krasnoyarsk Playground Project:

Alex Griffith, 15, is a Boy Scout, working on his Eagle Scout Project. He has a pretty ambitious project- he is building a playground for the orphanage in Krasnoyarsk Russia from which he was adopted. Alex, with the support of his family, the Bel Air Rotary Club and Cradle of Hope Adoption Center, among other organizations, is close to raising the money needed to achieve his dream. Alex and the installation team will be traveling to Russia this summer to install the playground. For more details about the project, visit the Krasnoyarsk Playground website at <http://www.krasplayground.org>

FRUA-DC is donating \$300 towards building this playground.

Photo below shows the current Krasnoyarsk play area, and drawing to the right shows the new playground Alex has purchased!
